**Detecting changes in essential ecosystem and biodiversity properties- towards a Biosphere Atmosphere Change Index: BACI**

# <u>Deliverable 9.6</u>: Implementation of BACI project web page

| | |
|---|---|
| **Project title:** | Detecting changes in essential ecosystem and biodiversity properties- towards a Biosphere Atmosphere Change Index |
| **Project Acronym:** | BACI |
| **Grant Agreement number:** | 640176 |
| **Main pillar:** | Industrial Leadership |
| **Topic:** | EO- 1- 2014: New ideas for Earth-relevant space applications |
| **Start date of the project:** | 1$^{st}$ April 2015 |
| **Duration of the project:** | 48 months |
| **Dissemination level** | Public |
| **Responsible of the deliverable** | Miguel Mahecha (MPG)<br>Phone: +49 3641 576265<br>Email: mmahecha@bgc-jena.mpg.de |
| **Date of submission:** | 29.04.2015 |

1.    Introduction

Deliverable 9.6: *Implementation of BACI project web page* serves at the starting point for the dissemination of the BACI project. The website has been launched on 28.04.2015 with the official domain http://baci-h2020.eu.

**Fig 1.** BACI website's overview

2.    Technical realization

The website was programmed in a PMWiki system hosted at the servers of the MPI-BGC. Hence, the legal responsibility is with the MPI-BGC. All partners have contributed relevant information in due time and the MPI-BGC ingested in the information.

3.    Main pages

- **Home:**          Provides a summary of the project as a whole (Background, Goals, Project, User Community, Consortium, Contact) and also shows the latest project news and information.
- **Project**          Describes the main objectives, approach of the project and the Work Packages' organization and interaction.
- **Consortium**      Presents a description of all consortium partners (profiles, role in the project and key people) as well as the interaction among them accordingly to their previous field's expertise.  The page also introduces the leading experts, members the Advisory Board.
- **Publications**    This section will contain all data products, scientific and non-scientific papers, press releases and other information that emerges from BACI.
- **Events**          Agenda of all important BACI's events (meetings, workshops, etc..)
- **Internal**         This restricted area is consisted of different projects' documents (deliverables, milestones, other reports, etc..). The access to the BACI restricted area is gained through individual login names and passwords, which are issued by a secure server administrator.
